

Summer in the Woodward Garden

Students, teachers, staff and family are invited to volunteer and spend time with the Kalamazoo Nature Center's Fair Food Matters program and Kalamazoo College in the garden at Woodward School this summer!

- Bring a book.
- Look for changes in the garden.
- Look for bugs or worms.
- Help in the garden (water, tidy up, harvest, weed, plant).
- Taste test or learn ways to prepare what we harvest.

Scan the QR code or visit NatureCenter.org/FFM to fill out a volunteer application if you'd like to join us!

For questions, email Laurel Wong at lwong@naturecenter.org

Closed
July 16 and July 23
Final harvest cookout
Sunday, August 13

Summer hours:
Sunday 3-7pm
Monday 3-5pm
Tuesday 3-5pm
Wednesday 3-5pm
